

Fig. 1 is a schematic cross-sectional view of a circular device, likely a camera or sensor module. The device features a central circular lens or sensor element (4) surrounded by a support structure (5). A central vertical shaft (7) is visible, with a horizontal component (7b) at the bottom. The device is housed within a rectangular frame (3b) with a central opening (3c). Various components are labeled with numbers: 1, 2, 3, 4, 5, 6, 7, 7b, 8, 8a, 8b, 8c, 8d, 9, 10, 16, 17, and C1, C2, C3. Arrows 3 and 4 indicate specific directions or views.
